Dear Mr/Ms,

**SUBJECT: TENDER FOR Construction of three greenhouses**

Taking into consideration that the initially announced deadline for submission of tender applications has been announced a non-working day by the Government of Armenia, the duration of submission of tenders is prolonged until the **20<sup>th</sup> of September 2017 time: 12:00** to avoid confusion among the tenderers.

The tender opening session will thus be held at **12:00, on the 20<sup>th</sup> of September 2017.**

We look forward to receiving your tender until the abovementioned deadline.

Yours sincerely,

Anahit Navasardyan
